

*St. Peter's High School*

*Athletic Transportation Agreement*

---

Parents:

A major obstacle to running the comprehensive sports programs we offer at St. Peter's is the lack of transportation. Since we have to rely on other school systems for busing, our service can be unreliable. Therefore, we depend on volunteers as well as coaches to drive our student/athletes to some activities. In order to meet the needs of our program without misleading anyone, we ask you to answer the following questions, sign the bottom of the form, and return it to the Athletic Department.

I give my permission for my child to ride with adult drivers and coach drivers approved by the school, and release the driver and St. Peter's from any liability.

I do not want my child riding with adult drivers and coach drivers approved by the school.

Will you volunteer to drive on days when we are short? (Typically the team leaves the high school around 3:00pm on school days.)
