VIDEO/ AUDIO - ARCHIVE FILES (Version 2)

ARCHIVE FILE INFORMATION

In October of 2007, the St. Peter's Video/ Audio Archive File was created by Ed Woolley. First to be transferred to the DVD format, before placement into the file, were 151 reels of 8mm, S8mm and 16mm reel-to-reel optical tape, which had been placed in the high school storage room by Coach Robert Frye. This collection consisted of footage of boy's basketball games from the 1958-59 thru the 1969-70 school years. Over 95 percent of this footage was capable of being successfully transferred, because it had been properly stored.

Next to be added were basketball games from the private collections of Pat Maurer and Jeff Strang. Their collections consisted of footage recorded on 16 mm reel-to-reel optical tape, VHS tape, Hi8mm video, and OHSAA provided DVD formats. Then 94 recordings were added from Ed Woolley's private collection. This footage had been recorded by him or obtained through his purchase of LeGrande TV Video Productions in 1990. This footage had been recorded on Hi8mm, VHS, SVHS and ¾ inch broadcast tapes. Ed's collection consisted of boy's and girl's basketball, volleyball, soccer, school activities, highlight videos, assemblies, variety shows, graduations, class plays, presentations, memorial video and a live audio recording of the Messiah in 1992.

By June 1, 2008 the file consisted of 164 Boy's Basketball games with 2 highlight films, 19 Girl's Basketball games with 1 highlight film, 49 other sporting events/ School Activities, and 1 Audio recording, recorded on 129 DVDS and 1 CD. The total **recording time** for entire file was **146 hours, 18 minutes and 34 seconds**.

Starting with the 2007-08 school year we have continued to add Parish and School Activities as well as various sporting events. In addition, we have continued to contact school alumni, current and previous coaches, parents, TV and Radio stations, past school faculty and Administration in search for footage that may be available to complete all school years. We have obtained to date Lady Spartan Basketball State participation footage (1980, 1983, & 1984) from Denny Rissler, Radio broadcasts of Boy's Basketball games (1965, 1966, 1968, & 1971) from Mick Frye. In addition, the 1993 Class Play and few TV broadcasts have been obtained from various stations as well as the Frank Stout (*Class of 1993*) personal collection.

As of March 11, 2015 the file consists of 267 Boy's Basketball games with 4 highlight films, 95 Girl's Basketball games with 4 highlight films, 147 other sporting events/ School Activities with 3 highlight films, and 13 audio recordings, recorded on 380 DVDS and 13 CDS.

The total **recording time** for the entire file is **401 hours, 3 minutes and 42 seconds**.

IF ANYONE HAS OR KNOWS WHERE FOOTAGE OF SPORTING EVENTS OR OTHER SCHOOL ACTIVITIES CAN BE OBTAINED PLEASE CONTACT THE ATHLETIC DEPARTMENT. This would be greatly appreciated!

The charges reflected within this file support the reproduction cost of copies.
