

Spartan Athletic Booster Club Meeting Minutes

December 10, 2014

- **Attendance:** Carla Eighinger, Chris Winters, Sherri Schlitt, Brian Schemine, Judy Tridico, Tim Failor
- Carla opened with a **prayer**
- **Treasurer Report:** Beginning balance \$56,330.31
 - Y-T-D Revenue \$44,491.60
 - Y-T-D Expense (\$27,417.38)
 - Ending Balance \$73,404.53
- **Games Manger-** nothing
- **AD-** Winter season now underway....Now with the athletic department now responsible for both High School, Junior High, and Elementary, we now have 19 different basketball teams which include:
 - 3/4th grade girls/boys who play at the YMCA
 - 5/6th girls/boys who play at the Friendly HouseAlong with the traditional 7/8, and HS girls/boys teams at our facilities All teams have been fitted for uniforms. The HS varsity boys and girls both have new uniforms. The used uniforms have been passed down to JV-to freshman and 8th grade. Questions were raised concerning the feasibility of old high school uniforms fitting 8th grade students etc.

Junior High championship swim meet will be held this Sat at Malabar

Transportation concerns continue. All sports will continue with parents driving teams. Mansfield City buses will charge \$4.42/mile which we will not pay.

MBC (Mid Buckeye Conference) may be looking to add other teams. Frank will keep us updated as soon as he knows.

12/29 is the Basketball Youth Extravaganza. First scheduled game is 9am between the 3/4th grade girls playing against each other. This day runs from 9am- 9pm and students from 3-8th grades and including other outside schools are competing.

Frank discussed the possibility of a Deanery Night at the Fact when younger students from surrounding catholic schools would come to the varsity games and their names would be announced at half time.

- **Old News** – Popcorn machine is in and will be set up

The basketball season has started, and no Big Raffle Item has been purchased to raffle off, so Chris moved that we skip the raffle for this year, and Brian seconded. Motion passed- no raffle at the games do to lack of time to recoup \$, lack of volunteers to sell tickets, and lack of item that would “spark people’s interest”

50/50 raffle at Homecoming only made \$100 approximately. Revenue was expected to be higher.

Overall, we are lacking volunteers/workers for the 50/50 and concessions boys/ girls. There was brainstorming to solve this problem. Chris Winters volunteered to make a spreadsheet of the games so that coaches could directly ask the parents to help and sign up for working the concession stand.... For example—7th grade will work while 8th plays and vice versa.

Food ordering for the concession stand is an issue. Currently Carla is doing this, but needs help. Discussion followed, and it was determined that to simplify, a food order sheet will be made so that we can keep track of what we use, and Judy Tridico will help with online ordering.

No Menchies yet.

Golf outing date set for 5/16 and goal is 36 teams.

- **New Business-** none

Chris moved to adjourn the meeting, Sherri seconded.

Next meeting will be Jan 14 at 7pm in the St Claire room.
